

HUNSWORTH
Food Service Design Ltd

Service	Description	Rate/hr	Rate/Day
Food Service Design	2D/3D Kitchen Design where a site survey or 2D plan has been provided and the client has taken a brief. This rate also applies to "outline" designs for feasibility studies	£30	£240
Consultation/Food Service Design (without Distributor Input)	As above where HFSD participates in the initial meeting with the client to lead the brief. This can be completed in person or via a remote service (Zoom or alternative). Excludes mileage and other expenses to and from HFSD Base in West Yorkshire (where applicable)	£45	£360
Site Survey	Attend site on behalf of the client. Excludes mileage and other expenses to and from HFSD Base in West Yorkshire (where applicable)	£300/day or Subject to Quotation depending on location	
Ventilation Design	2D/3D Layouts where a site survey or 2D plan has been provided and the client is leading the design. Suitable for Planning purposes. Manufacturing drawings subject to further expertise.	£45	£360
Shopfitting Design	2D/3D Layouts for concept explanation to a manufacturer. Drawings may not be suitable for final assembly but will convey very clearly the intended design for quotation purposes	£30	£240
Service Drawings	2D Service Information Design (Mechanical & Electrical positions etc) where an agreed kitchen design has been completed by HFSD	£30	£240
Interior Design/3D Visuals	Photorealistic visuals, interior concepts, and virtual "walkthrough"	Subject to Quotation From £250/Model	
Product Modelling	Production of manufacturer symbols in readiness for use by designers and consultants	Subject to Quotation From £250/model	
Specification	Generate a pre-populated quotation in AutoQuotes without pricing in readiness for tender or other works by the client	£30	£240
Quotation	Generate a specification as above, tender pricing to approved suppliers, and complete a document ready for issue.	£35	£280
Project Presentation Document	Prepare a tailored document in readiness for a presentation to the project decision-maker. This may include previously produced foodservice designs, 3D visuals, specifications, or quotations along with equipment literature and any other relevant material presented in a concise package	£35	£280
Post Order Preparation	Generate project-specific documentation to stakeholders for project delivery – includes preparing the agreed quotation for order processing, margin improvement, and outline Program of Works, and handover to relevant teams. <i>*This does not include Program Management</i>	£35	£280
Literature/Forms/Presentation Templates	Produce digital documents for marketing or internal purposes. Uses include press/email and print	Subject to Quotation From £50	
Photography (On-Site/Principle)	Attend a pre-prepared venue and provide photographic services for marketing purposes. This may also include product photography and or factory/team/staff photography. Traveling to and from the location. Photo Editing (off-site). Excludes mileage and other expenses too and from HFSD Base in West Yorkshire (where applicable)	Subject to Quotation From £300/day	
Photography (Off-Site/Post Production)	Post principle photography processing, editing, and readying for client use for any platform or format	Subject to Quotation From £35/day	
Project Management	Manage project from point of order. Works may include supplier/distributor/contractor coordination, site surveys, and extensive communication in all forms. Excludes mileage and other expenses to and from HFSD Base in West Yorkshire	£75	£750
Business Consulting/Training	Providing management-level training and consultation on best practices, staff mentoring, etc. Works will be mainly seminar or one to one and maybe either in person or via a remote service (Zoom or alternative)	£50	£500
